

***Jen Hayden: Teaching & Learning; Humanities***

I am an Assistant Principal of Teaching and Learning at Halewood Academy and have been a Geography SLE for a number of years. I am professional mentor for ITT/NQT/TF colleagues, ensuring they meet all requirements to achieve their QTS status. I have worked across the Trust supporting CPD training, delivery and planning and have also supported a school through their revision and marking legacy coursework. More recently, I have been involved in designing the KS3 curriculum for Geography and ensuring that we meet all NC standards. I am also undertaking the NPQSL award.
