

Jen Heeley: Maths Lead and Curriculum Team Leader

I have worked across Key Stage 1 and 2 in a range of schools. I have been KS1 and KS2 leader and have worked alongside fantastic, effective leadership teams. Completing my Master of Arts in Teaching has allowed me to continually develop my teaching skills and reflect on my practice.

I am currently Curriculum and Maths Lead at Yew Tree Primary Academy. I have led colleagues through a period of great change, providing appropriate support and challenge where necessary to develop skills and confidence. I am currently undertaking the NPQSL qualification and have been involved with the MITA project across Knowsley LA.
